OF DEMAND-SIDE MANAGEMENT PROGRAMS, A)	
DSM COST RECOVERY MECHANISM, AND A)	
CONTINUING COLLABORATIVE PROCESS ON)	CASE NO. 93-150
DSM FOR LOUISVILLE GAS AND ELECTRIC)	
COMPANY)	

O R D E R

By Order dated November 12, 1993, the Commission approved new tariffs to implement the demand-side management ("DSM") plan proposed in this proceeding for Louisville Gas and Electric Company ("LG&E"). The tariffs were designated to be effective upon approval.

On December 1, 1993, LG&E, the Office of the Attorney General, Jefferson County, Metro Human Needs Alliance, People Organized and Working for Energy Reform, Anna Shed, Kentucky Industrial Utility Consumers, Louisville Resource Conservation Counsel, and Louisville and Jefferson County Community Action Agency (collectively, "Joint Applicants") filed a motion requesting that the effective date of the tariffs be extended to June 3, 1994 for the Energy Conservation Rate, and to January 1, 1994 for the remaining tariffs.

The Commission, having considered the motion and being otherwise sufficiently advised, finds that the request is reasonable and will not unduly complicate our annual review of the DSM plan approved in this proceeding for LG&E.

IT IS THEREFORE ORDERED that:

1. The November 12, 1993 Order be and it hereby is modified to the extent that the effective date of the Energy Conservation Rate shall be June 3, 1994, and the effective date of the other tariffs shall be January 1, 1994.

2. All other provisions of the Commission's November 12, 1993 Order shall remain in full force and effect.

Done at Frankfort, Kentucky, this 22nd day of December, 1993.
